

SIPEK & SPALEK
Crystal objects & Walls

We are a Czech-based designer and manufacturer of decorative lighting sculptures and chandeliers with focus on private residences, hotels, other commercial spaces and yachts.

Headquartered in Prague, with production facilities in Nový Bor, Kamenický Šenov, Mladá Boleslav, and their surrounding areas, we proudly operate as a wholly Czech enterprise. Our commitment to excellence is underscored by our exclusive use of local resources and partnerships for our production processes.

In 2024, we have completed over 100 projects worldwide, spanning the United States, Europe, the Middle East, and Hong Kong.

Our portfolio encompasses a diverse array of projects, from intimate residential pieces to grand hotel lobbies.

Focus

Bespoke sculptures and chandeliers

We specialize in creating bespoke decorative lighting sculptures and installations for private residences, hotels, and various commercial buildings. Our collaborative approach with a diverse clientele allows us to introduce innovative and unexpected elements into each project.

Residential collections

Our design and production capabilities include fully developed collections that can be customized to meet diverse aesthetic and functional requirements. These collections offer the advantage of reduced lead times and cost-effectiveness. Discover the perfect specification to suit your needs.

Maritime programme

Discover our nautical chandeliers, epitomizing the elegance of the sea at its finest. With meticulous craftsmanship and timeless design, these masterpieces infuse your space with noble charm. Illuminate your surroundings with a regal touch, capturing the essence of the sea in every radiant detail.

Functional-aesthetical glass projects

Crystal sculptures, walls, and trophies: our passion extends beyond lighting sculptures. We have a deep appreciation for crystal, making any aesthetic object of interest to us. Whether you need a vase for your table, a crystal glass table for your dining room or yacht, or a wall transformed with crystal, we bring these visions to life.

Bespoke Sculptures

Custom-made interior decorative lighting sculptures and installations. Each piece is a unique work of art that has its own spirit and message. It is more than just a product. It speaks for the designer, for the owner. It communicates with its surroundings. It creates value. It creates atmosphere and feelings. It generates memories and thoughts. It connects the tangible and intangible aspects of our being. It creates emotions.

Maritime Programme

Explore nautical chandeliers that embody sea elegance at its finest. With meticulous craftsmanship and timeless design, our works of art infuse your space with noble charm. Illuminate your surroundings with a regal touch, embracing the essence of the sea in every radiant detail.

Residential Collections

SIPEK&SPAŁEK is not only bespoke decorative light sculptures and chandeliers but also collections designed to fit any interior type. On the following pages, you will find our collections arranged in different compositions and dimensions, ranging from small designs suitable for dining and living rooms to large-scale installations.

All our collections can be customised in terms of shapes, dimensions, number of components, surface finishes and colour variations. We offer a wide range of crystal colours and various coatings.

LEK

Objects & **Walls**

Crystal sculptures, walls or trophies. Creating lighting sculptures isn't our only passion. We share love for crystal, hence any aesthetical object is of interest to us. Do you need a vase for your table? Would you like a crystal glass table in your dining room or on the main deck of your yacht? Or maybe you have a wall that needs to be crystalized. We make these things possible.

Honeycomb Wall

The Honeycomb Wall, a marvel of artistry and nature-inspired design, captures the essence of bees' intricate dwellings. Handcasted with precision and polished to a radiant sheen, this crystal masterpiece mimics the delicate hexagonal patterns found in beehives. Each facet reflects the labor of skilled artisans, bringing the precision of nature into the realm of art. The wall's translucent beauty allows light to dance through its honeyed depths, creating a mesmerizing play of colors reminiscent of a sunlit hive. A symbol of craftsmanship and homage to the industrious bees, the Honeycomb Wall stands as a testament to the seamless fusion of human ingenuity and the wonders of the natural world.

Polkadot Wall

The term origins come decades ago when the Polka dance was introduced. In a constantly repeating pattern the moves were done by the dancers in back then Czech and Polish countries. Nowadays a term used for in general repetitive patterns and playfulness just like our glass wall. Our Polkadot wall can be customized in terms of finishes, colours and glass decors to suit any interior type.
